ASSIGNMENT

WHEREAS I, **Kenneth William Young**, of **Warwick Manufacturing Group**, **International Manufacturing Centre**, **The University of Warwick**, **Coventry CV4 7AL**, **United Kingdom** (hereinafter called "the inventor"), have invented or discovered subject matter concerning an "**Object Handling System and Method**" (hereinafter called "the invention") for which UK patent application No. **03 289 01.4** was filed on **12 December 2003** and for which an International patent application No. **PCT/GB2004/005135** was filed on **9 December 2004** claiming priority from the aforesaid UK patent application and designating *inter alia* the **United States of America** (hereinafter called "the applications");

WHEREAS the whole right, title and interest of the inventor in and to the invention and the applications belongs to **THE UNIVERSITY OF WARWICK** by virtue of a contract of employment of the inventor with **THE UNIVERSITY OF WARWICK**;

WHEREAS **THE UNIVERSITY OF WARWICK** acknowledges its agreement to the filing of the applications;

WHEREAS WE, **GLAXO GROUP LIMITED**, a company incorporated in England and Wales whose registered address is **Glaxo Wellcome House**, **Berkeley Avenue**, **Greenford, Middlesex UB6 0NN**, **England**, are desirous of acquiring from **THE UNIVERSITY OF WARWICK** the whole right, title and interest in and to the invention and the applications, including in respect of the **United States of America**; and

NOW THEREFORE, to all whom it may concern be it known that I the inventor hereby confirm the ownership by **THE UNIVERSITY OF WARWICK** of my whole right, title and interest in and to the invention and the applications and if, under the law of the **United States of America** I the inventor have any ownership right, title and interest in and to the invention and the applications (which I do not believe to be the case and claim no ownership right, title or interest in and to the invention and the applications), I the inventor nevertheless hereby assign and transfer such ownership right, title and interest in and to the invention and the applications to **THE UNIVERSITY OF WARWICK**.

THE UNIVERSITY OF WARWICK hereby assigns and transfers to GLAXO GROUP LIMITED its whole right, title and interest in and to the invention and the applications, including without limitation in and throughout the United States of America, and in and to any priority rights in respect of the invention and the applications, and in and to any divisional application, continuation or continuation-in-part application, and in and to any extension or re-issue, and in and to any patent in the world arising from the applications and their derivatives including in the United States of America.

THE UNIVERSITY OF WARWICK and I the inventor for ourselves and our executors and legal representatives hereby acknowledge that these assignments are made following receipt of good consideration the sufficiency of which is confirmed, and agree to provide information and make execute and deliver any and all other instruments in writing, and any and all further acts, applications, papers, affidavits, assignments and other documents which may be possible and are necessary or desirable to more effectually secure to and vest in GLAXO GROUP LIMITED its successors and assigns, the whole right, title and interest in and to the invention, the applications and other rights hereby assigned and transferred in respect of *inter alia* the United States of America.

IN WITNESS whereof and with effect from 12 December 2003 the inventor, and THE UNIVERSITY OF WARWICK and GLAXO GROUP LIMITED by virtue of Powers of Attorney granted to its duly authorised officers, have hereunto set their respective hands.
